

CTech provides:

- *Logos to be displayed as partner*
- *Digital catalogs to be available on dealer website*
- *Digital Marketing materials “available for dealer branding upon request”*
- *Digital banner to be printed for dealer show room*
- *Application photos of products offered*

How will CTech be viewed to dealers audience:

Logo and branding:

- *High level exposure as manufacturer/partner/vendor*
- *Logo will be on product specific feature page in accommodation with literature and additional write up about product*

Product listing:

- *Listing of standard products with MSRP pricing available for purchase (if setup for e commerce)*
- *Product specific page, utilize provided application photos or products you have acquired*
- *Products available when configuring customers build as an option*

Links to CTech:

- *Include hyper-links back to <https://www.ctechmanufacturing.com/#/drawers/> for more information about CTech products.*

Show Room:

- *Display CTech banner*
- *Request a CTech demo unit*
- *Display CTech literature*
